Round Table Nepal Unites All Areas in a Nationwide Fellowship

As Round Table Nepal (RTN) marks a proud milestone 25 years of impactful tabling, brotherhood, and community service, the spirit of celebration echoed across the nation. To honor this remarkable journey, Tablers from different areas organized fellowships, bringing together tablers, families, and well-wishers in a display of unity, tradition, and gratitude.

The fellowship events were a vibrant reminder of what Round Table stands for, Fellowship and Service. These celebrations weren't just events; they were reflections of two and a half decades of shared laughter, unforgettable memories, and unwavering dedication to “Adopt, Adapt, Improve.”

Each Area hosted unique fellowship experiences infused with personal stories of tablers whose lives were transformed by this movement. From nostalgic speeches by past presidents to energetic moments on the dance floor, the spirit of camaraderie was alive and infectious.

Over the last 25 years, Round Table Nepal has evolved into a powerful platform for young men to contribute meaningfully to society sponsoring thousands of children under the Educate A Child initiative, organizing relief work during crises, and building sustainable community infrastructure. And throughout, it has nurtured lifelong bonds between individuals from diverse walks of life.

As the cheers and celebrations wind down, Round Table Nepal looks forward to the next chapter with renewed passion, stronger unity, and a commitment to serve with even more impact. Here's to 25 years of tabling and to the many more that await!

Round Table Nepal Shines at ASPA AGM 2025 in Colombo, Sri Lanka

The vibrant city of Colombo, Sri Lanka played host to the ASPA Region Annual General Meeting 2025 from May 22 to 25, bringing together Tablers from across the ASPA region for an unforgettable celebration of fellowship, leadership, and unity.

Round Table Nepal made a strong and proud presence at the event, with an impressive delegation of 20 members, including board members and representatives from multiple Tables across Nepal. Dressed in national pride and united in purpose, the RT Nepal contingent actively engaged in all sessions ranging from strategic discussions and training workshops to spirited fellowship nights that showcased the very essence of international tabling.

One of the proudest moments for Nepal came when RTN President Pravesh Agrawal was honored with the prestigious RTI Honour Award, recognizing his unwavering dedication and exemplary leadership in the tabling movement.

Adding to the celebrations, Tr. Dhiraj Agrawal (BFRT 8) received the Certificate of Excellence, while Tr. Dipal Khanna (BFRT 8) was named Tabler of the Year both reflecting the exceptional commitment and achievements of Nepalese Tablers on the international stage.

Another standout moment was the recognition of RT Nepal's flagship initiative, "Educate a Child," which was awarded the Best Service Project at the AGM, reinforcing Nepal's impact in the area of community service and education.

"Definitely, the benchmark of ASPA has been set high," remarked ASPA Chairman Rahul Agrawal as he applauded the unwavering efforts of the entire RT Nepal team.

SHARING EXPERIENCE

I would like to extend my heartfelt gratitude to ASPA Chairman Rahul Agrawal, for giving me the incredible opportunity to serve as one of the PR Conveners for the ASPA region. It has truly been a once-in-a-lifetime experience—one that has helped me grow both personally and professionally. In this role, I had the privilege of managing ASPA's social media presence, showcasing creativity while also gaining valuable experience in planning and communications. Serving as a convener placed me at the heart of team dynamics, where I was able to interact with a diverse and inspiring group of Tablers across the region.

I approached this responsibility with sincerity, striving to fulfill my duties efficiently and effectively, and I am honored that those efforts were recognized. Receiving an award as a PR Convener is a moment of immense pride—an acknowledgment of leadership, dedication, and teamwork. It serves as both encouragement and motivation to continue contributing to the tabling movement with even greater passion.

This journey has reminded me that in Round Table, every opportunity is a platform to learn, lead, and leave a meaningful impact.

ASPA AGM SRILANKA - A TRAVEL MORE THAN WORTH IT

My 3rd ASPA AGM after Kathmandu in 2018, Kolkata in 2023 and now Sri Lanka in 2025 in span of 7 years of my Tabling Journey. There were 70-80 like-minded members from 5 countries in ASPA region few of them from Europe including RTI President Danielle Cusi and we being the highest contingent of 23 members from RT Nepal.

The fun filled event lasted for 3 days, after which none amongst above felt we are only a few days old friends but brother for years. This is the brotherhood we bring to us and its all when we come out of our shell and travel.

This AGM has been a special one to me, in a sense I have received the prestigious Tabler of the Year award for the second time. I would like to thank Mr. Pravesh Agrawal, President Round Table Nepal who have given me this opportunity to excel in my facet with freehand. I am fortunate enough to have such support from the President and would also like to congratulate him for receiving the RTI Honor Medal, a second highest recognition in Tabling Fraternity. RTN received Best Service Project Award - Educate A Child and Tr. Dhiraj Agrawal received Certificate of Excellence from the ASPA Chairman.

Now, a huge shout out to the ASPA Chairman Mr. Rahul Agrawal, a man with great vision and excellent Leadership Quality, whom I see as an inspiration to learn from. He had then made a remarkable contribution being a President of RT Nepal, and he have now made ASPA region a bright shining star with his yet another level of planning and execution. Hats off to you Dai.

I would also like to thank you for the award, most special is both of the time it was under your stints, once while you were a President of RT Nepal and now as a ASPA Chair.

After 7 years of my tabling I feel like I have adopted tabling in my blood, adapted it in my veins and evolved being a better person.
Thank You.

ASPAS Fellowship Meet in Siliguri: A Heartfelt Celebration of Brotherhood

On 14th June, the vibrant city of Siliguri (Area 14) played host to a memorable ASPAS Fellowship Meet, marking a meaningful close to this year's fellowship activities. The event brought together passionate Tablers from across the ASPAS region to reflect, connect, and celebrate the spirit of tabling.

A proud contingent of 15 Tablers from Round Table Nepal participated in the gathering, adding energy, enthusiasm, and warmth to the occasion. The evening was truly a celebration of friendship and brotherhood, with no formal agendas just genuine connections, lively conversations, jewel meets, and pin exchanges.

A special moment of pride came when Tr. Rajat Gupta (BPRT 10), serving as the International Fellowship Convenor, was recognized for his outstanding efforts. He was honoured with the Star Pin from Round Table India and a Certificate of Excellence from ASPAS Chairman Tr. Rahul Agrawal accolades that reflect his dedication and contribution to strengthening international ties.

Heartfelt thanks to all who made the evening unforgettable. This fellowship meet beautifully captured the essence of ASPAS unity, warmth, and unwavering brotherhood.

From being a proposed Tabler earlier this year to leading the ASPAS Fellowship in Siliguri, this opportunity has been nothing short of an honor for me. Appointed as the International Convenor representing Round Table Nepal, I took on the challenge of coordinating nationally from Biratnagar with enthusiasm and pride.

Despite the initial doubts, I received constant encouragement from Tr. Abhay Sultania and our ASPAS Chairman Tr. Rahul Agrawal, whose guidance was instrumental throughout the process. A special mention to RTN President Tr. Pravesh Agrawal, whose humble leadership and unwavering support even during his travel to Germany inspired me deeply.

With support from RT Nepal, including a Rs. 25,000 travel fund to boost participation, we were able to gather 15 enthusiastic Tablers for the fellowship. The event in Siliguri was filled with warmth, energy, and memorable interactions, including jewel meets, pin exchanges, and heartfelt hospitality. This fellowship was a true celebration of brotherhood—with no formal agendas, just pure connection. I was humbled to receive a Star Pin from Round Table India and a Certificate of Excellence from the ASPAS Chairman—a recognition that I will cherish always.

This journey has taught me the value of initiative, teamwork, and the power of international fellowship. I look forward to taking on more such responsibilities in the future.

Flight of Fantasy – A Dream Fulfilled by BRT5

“This event wasn't just a trip, it was a journey of joy, dreams, and lifelong memories.”

Under the Fulfil a Wish initiative, Biratnagar Round Table 5 (BRT5) successfully organised Flight of Fantasy on 18th June 2025, flying 9 students from RTN Model School Sushiksha Adharbhut Vidhyala, Hathkhola, Biratnagar to Kathmandu, accompanied by 2 teachers and 2 Tablers.

What made this event truly magical was the seamless collaboration between Area II and Area I, reflecting the unity and brotherhood at the heart of Round Table. From warm welcomes to thoughtful gestures, Tablers from both Areas made the journey unforgettable for the children.

FELLOWSHIP DRIVE

Fellowship Drive: A Memorable Drive Across Nepal to Chitwan

In celebration of brotherhood, adventure, and the unbreakable bonds of tabling, RTN organized a remarkable Fellowship Drive on 27th March 2025, bringing together Tablers from different corners of the country all converging at the scenic Regenta Resort, Chitwan for a night of celebration and unity.

Tablers from all over the country hit the roads in coordinated convoys, proudly flying the Round Table flag. The drive was more than just a physical journey it was a spirited expression of camaraderie, shared laughter, and a love for fellowship that defines the heart of Round Table Nepal. With 13 cars and around 55 participants, the roads echoed with energy, music, and togetherness.

ROUNDTABLE
NEPAL

The drive wasn't just about reaching Chitwan it was about the journey, the stories, and the connections built along the way. Some routes spanned hundreds of kilometers, with Tablers making planned stops for food, laughter, and impromptu games, making the experience truly unforgettable.

The destination was worth the miles. Regenta Resort in Chitwan welcomed the convoy with warm hospitality, picturesque surroundings, and an ambiance perfect for celebration. The evening unfolded with joyful reunions, engaging conversations, and heartfelt moments that rekindled old friendships and built new ones.

Special appreciation goes to the organizing conveners Kevin Agrawal (CRT 31), Aman Mittal (BRT 3) and to the hosting tables NRT 14 & CRT 31 for coordinating such a seamless and impactful event. The Fellowship Drive not only deepened the sense of brotherhood but also inspired many young Tablers to embrace the larger Round Table movement.

As engines cooled and stories were exchanged, one thing was clear this was more than a drive, it was a celebration of togetherness and a testament to the power of Round Table Nepal.

LAPD

A Proud Tabler Session – Chitwan / 28th March 2025

Held at the scenic Regenta Resort & Spa by Riverside, Chitwan, this session brought together around 12 prospective Tablers for an insightful introduction into the spirit of tabling. Facilitated by experienced Tablers Tr. Rohit Agrawal, Tr. Saket Murarka, and Tr. Sumit Mittal, the session focused on sharing personal tabling journeys, values of the association, and the power of fellowship.

The intimate, interactive format allowed each participant to reflect on what it truly means to be a Tabler highlighting service, brotherhood, and leadership as core pillars. The session not only left prospects inspired but also strengthened the table's future foundation with meaningful engagement.

RISE UP – Rise to Connect, Speak & Lead / 26th April 2025

In collaboration with Kathmandu City Round Table 12 (KCRT12), the LAPD team hosted "RISE UP" a dynamic leadership development session held at Mahabir Palace, Kathmandu. With over 25 participants, this highly anticipated event was led by none other than renowned transformational speaker Mannsi Agrawal.

Focused on enhancing public speaking, networking, and personal branding, the workshop delivered practical tools and insights for emerging leaders. Participants engaged in hands-on exercises, group activities, and self-reflection exercises leaving them more confident, connected, and inspired to lead in both personal and professional spaces.

These sessions mark another successful step in RT Nepal's ongoing commitment to building capable, compassionate, and confident leaders within the movement.

Among the many projects supported this year by Round Table Italia, the Nepalese Service Project "Educate a Child" stands out. In the Asian nation, poverty is one of the main reasons why children do not finish school. Round Table Nepal has been investing in the country's school education for years, building over 80 schools in 12 different cities, giving over a thousand children the opportunity to complete their schooling and find a better future. In the heart of the Himalayas, €50 is enough to finance a student's entire school year. Relatively few, if you think about it.

Our IRO Tobias Eder learned about this project during the HYM of Round Table International in March 2023 in Kathmandu and was deeply impressed and decided to present it at the mid-year assembly in Imola to all of Round Table Italia. Thanks to this commitment and above all thanks to the adhesion of numerous tables and the National Committee, in the social year 2024-2025, €6,150 were collected and donated to this project.

RT Germany & Italy Support RT Nepal's "Educate A Child" Project!

We're thrilled to share that Round Table Germany has officially selected RT Nepal's flagship initiative Educate A Child as their Top Choice for 10% of their National Service Project (NSP) Funds!

But that's not all Round Table Italy has also stepped forward with a generous contribution of €6,150 in support of this life-changing initiative!

This isn't just funding it's a powerful international endorsement of our mission to uplift children through education. A heartfelt thank you to all our passionate Tablers whose relentless support and belief have made this milestone possible.

Together, we're changing lives one child at a time!

Experience at Madagascar.

From 26 May to 3 June, I travelled to Madagascar for the Round Table AGM on the island of Sainte Marie. After a long and tiring 72-hour journey and a 24-hour road trip, I finally reached the beautiful island.

The event was full of fun and friendship, starting with a Pirate Night, relaxing Beach Day, colorful Nations Night, the formal AGM, and a grand Gala Night. I shared my culture, met amazing people from around the world, and enjoyed local food and warm hospitality.

The teamwork between Circlers and Tablers was inspiring and something I want to bring back home. Although the travel was tough, the memories, friendships, and spirit of togetherness made it all worth it. This experience reminded me why I love tabling and encouraged me to take part in more international events in the future.
